#### DECLARATION ON THE DUTY OF THE CURRENT TIME To Save Our Future and the Future of Our Generations

(Free Translation from Classical Hebrew)

At this time, when evil individuals have emerged with the declared aim of undermining our steadfast faith in G-d and taking control of our educational system, they have now proposed a bill to introduce new legislation in Parliament. This legislation threatens the sacred education we have provided our children for generations, following the teachings of our Torah and tradition. This new legislation would enable them to impose their corrupted educational doctrines, which are well-known for being rooted in disbelief in G-d, upon our holy yeshivas and schools. This bill is scheduled for its second reading on 5 Adar II 5784 (15 March 2024).

In light of these developments, we come here to awaken our holy congregation. In this time, when the evil of the nations plot to strip us to the very foundations, they scheme to take control over our holy Yeshiva education system and the education of our dear sons and daughters. It is our duty to strengthen ourselves and reinforce our commitment that under no circumstances shall we budge right or left from the path laid down for us since Mount Sinai. We shall not deviate from that path even one iota. We shall stand in unity like an impenetrable defensive barrier against every attempt to tarnish the sanctity of our education, protecting the holy yeshivas, which are crucial for our future and the future of our generations. Without doubt, with the strength of many, we will overcome them with G-d's help and in the merit of standing firm in the way of the Torah, in this situation, G-d will protect and save us from them.

We therefore call upon every member of our congregation that a unified and powerful voice that will not falter should be heard from us, declaring both privately and publicly our resolve that our ways will not change. This declaration must resonate through the corridors of power, from the House of Ministers to Parliament, asserting that our holy yeshivas and education system are the essence of our life, and no power in the world will make us budge one iota from continuing the holy education and yeshivas in their sanctity and completeness as to date. It is well-known throughout the country that our education system is highly successful and impressive.

Let our plea be heard by the respectful government of the land in which we reside, that they should have mercy on us and not legislate these laws but allow us to continue living in this country in peace and continue our holy education as we have received from our forefathers, generation after generation, until the coming of the Messiah.

And, of course, the most important thing in this era is to rely solely on our Father in Heaven and to pour out our earnest prayers to G-d to see our affliction and have mercy on us. We should organise public prayers where men, women, and children pray, and our prayers should be accepted in Heaven to remove from us all harsh and cruel decrees because only upon G-d can we rely.

We will end with a blessing that in these days, G-d should provide us with miracles as in the days of Mordecai and Esther in Shushan the capital, and "no evil or destruction shall occur on all of my sacred mountain" (Isaiah 11:9).

בעת הזאת אשר כידוע קמו קשר רשעים בממרה גלוי לעקור מאתנו אמונתינו בד' אלוקינו להשתלם על החינוך שלנו, ועכשיו העלו הצעת חוק לפני השלמונות להעביר חוקים חדשים בפארלימענמ הנוגעים להחינוך הקדוש שאנו מהנכים דורותינו ע"ד התורה והמסורה, אשר באמצעות החוקים הללו יוכלו לכפות על פלימת בית סופרינו הישיבות הק' והת"ת את החינוך המקולקל שלהם אשר ידוע שמיוסד כולו ע"ד מינות ואפיקורסות, ונקבע על ידם יום ה' אדר ב' הבע"ל לקריאה שני" של החוקים הללו היל"ת.

ע"כ באנו בזה לעורר את הציבור הק' אשר בעת כזאת אשר רשעי אומה"ע האומרים ערו עד היסוד בה פועלים וזוממים כנ"ל להשתלט על הישיבות הק' ועל חינוך בנינו ובנותינו ה"י, החובה עלינו להתחזק ולקבל על עצמינו שבשום פנים ואופן לא נמה ימין ושמאל מהדרך המקובל לנו מדור דור כפי שקבלנוה מהר סיני ולא נזוז מזו הדרך אפי' זיז כל שהוא, וכחומה בצורה נעמוד ביחד כנגד כל נסיון לפנוע בהחינוך המקודש לנו ובבבת עינינו הישיבות הק' אשר כל עתידנו ועתיד דורותינו תלויים בזה, ובוודאי בכח הרבים נוכל להם בסייעתא דשמיא ובזכות שנעמוד איתן בדרך התורה במצב זה המב"ח יגו ויושיע אותנו מידם.

ובכן נבקש מכל בני קהלתינו שישמע מאתנו קול אחד קול גדול ולא יסף אשר דרכינו לא ישונה, בהכרזה גלוי׳ כלפי פנים וכלפי חוץ – והקול ישמע בבית השרים ובתוך הפארלימענמ, כי הישיבות הק׳ והחינוך הקדוש הם חיינו ואורך ימינו, ושום כח שבעולם לא יזיז אותנו כמלא נימא מלהמשיך החינוך הק׳ והישיבות הק׳ במהרתן ובשלימותן כמו עד עתה, ובכן יעלה ויבא בקשתינו ותחנונינו מהמלכות אשר אנו חוסים בצלה יר״ה שירחמו עלינו אל יגזרו עלינו אלו הגזירות אלא שינתן לנו שנוכל להמשיך להיות כאן במדינתינו בשלוה ולהמשיך את החינוך הקדוש כמו שקבלנו מאבותינו מדור דור עד כי יבא שילה, וכבר להמשיך להיות כאן במדינתינו בשלוה לשם ולתפארת ולתהלה בכל הארץ.

ובודאי העיקר בתקופה זאת אין לנו להשען אלא על אבינו שבשמים לשפוך שיח לה' שירא בענינו וירהם עלינו – ולסדר תפלות ברבים ויתפללו אנשים נשים ומף וישמע תפלותינו במרומים להעביר מאתנו כל גזירות קשות ואכזריות, כי לך לבד עינינו תלויות.

### Dear Readers

IMPORTANT MESSAGE!!

Please be aware that there are female thieves currently operating on the 253 bus route between Clapton and Manor House, mostly 12-1pm and 3-5pm.

They mostly target young mothers with buggies, especially those that are unattended. These women are easily recognised by the various empty bags they wear; they are well groomed and well dressed, and work in pairs; they stand ONLY near and around the buggies. Be especially vigilant when the bus is crowded, as that is when the thefts occur.

Should you notice these female thieves or any related suspicious activity, on the 253 bus, do not he sitate and call Shomrim IMMEDIATELY on 0300 999 0123.

P.R.

### Dear Readers

I would like to remind anyone organising communal events, shows, functions or training workshops of the importance of contacting the Communal Diary in advance to check that their proposed date is free.

This wonderful long-standing service, run free of charge by Mrs M. Schwarcz, enables groups and organisations to avoid clashing dates with each other, which benefits all parties. I have used it for many years, eg when running courses and workshops, and have found it very effective.

The number is 020 8806 5630, as listed in the Shomer Shabbos 'Community Services' section.

Please note the above 'Communal Diary' is not designed for notification of Chasunahs. The Chasunah Calendar number is 020 8211 0353.

Please retain these numbers for future reference.

### Mrs R. Atkins BRILLIANT BEHAVIOUR LTD London N15

### Dear Readers

I want to raise awareness about the fox that has been a long-time presence around 26 Clapton Common, where it has been attacking women, girls, and men, leaving many traumatized. Now, it has been observed in the Moundfield Road area randomly attacking people, and action needs to be taken.

The council is hesitating to intervene, citing it as wildlife behaviour. However, it's fortunate that nothing serious has occurred thus far, but there is concern that incidents may have gone unreported. It is crucial to address this issue before it escalates further.

### Dear Readers

Re M.E's letter in lasts week's issue.

"Good morning", is it really news that some people just dont think before they talk? Or shall we say no seichel?

The person who complains being so busy shopping with her kallah she literally can't cope especially since she just finished with her other daughter who just got married, while Mrs x who has 2 older daughters at home has to listen to her tirade...

Or, the lady complaining about her lack of sleep due to her little baby and toddler... While Mrs Y is still waiting to experience sleepless nights to a baby crying.

Or, people excessively complaining about the headache of builders, while others would love to renovate.

Or the lady who brags that they just can't decide which yeshive or sem to send to since their children were accepted at numerous places.

I could give you many more examples, but I think the message is clear THINK BEFORE YOU SPEAK!

N.G.

### Dear Readers

Would like if people would comment on today's chasunah expenses.

People go around daily collecting but no one is thinking of how to reduce the costs. All the halls are SOLD for the caterers. No competition.

B"h I made all chasunahs from my own money. But the next generation????

### Dear Headmistresses

It was lovely to have our girls home for half term, thereby giving everyone a little break.

For those that have only one girl home it would be very appreciated if all the schools can coordinate their half term holiday together so that cousins can join up and spend time together, and Bubby's shouldn't have to take them out separately, every week another einikel. It's so much more enjoyable for all when it's combined and leads to more achdus as well.

Many Thanks

L.B.

# Who else wants to save money on their health insurance?

- (1) Save time
- in-depth, expert advice
- Honest communication

After a couple of years of mediocre service from other brokers, I tried Lifepoint. They were extremely attentive and supportive of our company's needs.

They saved us over £60K! Their care didn't end with the deal. The whole team continues to support the company and employees directive with quick, kind service. Can't recommend more!
