Join us at the Shomrim Event on
Wednesday 14th August 2024

Clapton Common, E5 9AA
1pm - 4.30pm

Missed school age booster vaccines for 3-in-1 Diphtheria, Tetanus and Polio (DPT) and Meningitis ACWY from age 13 - 19 will be offered.

Catch up with MMR - We can vaccinate from ages 5 - 19, if your child has missed their measles, mumps and rubella or is only partially immunised.

- All children in Year 9 (age 13 - 14) are offered Diphtheria Tetanus and Polio (DTP) and Meningitis ACWY vaccines in schools nationally as part of the NHS immunisation schedule
- Children attending Charedi Independent schools may have missed out on these important vaccinations
- Poliovirus, Measles and Meningitis ACWY can be easily transmitted
- These booster vaccines provide long term protection into adulthood and will protect young people while learning in schools, chadorim, yeshivas and seminaries

For more information contact: 0207 613 9044

**SUMMER
HOLIDAYS ADVICE**

As we approach the summer holiday season we would like to remind the community about preventing burglary. Burglary is an opportunist crime. Burglars will choose the easiest target! Taking these few simple precautions will reduce the chances of you becoming a victim of burglary:

- Ensure your doors are properly secured with all locks.
- Ensure your windows are properly shut and secured.
- Ensure your side gates are secured.
- Use a timer/Shabbos timer to switch on some lights in the early evening.
- Adding trellise on top of side gates will discourage burglars.

**DO NOT LET YOURSELF
BECOME A VICTIM**

If C"V you become a victim of crime, report it to the Police and Shomrim.

SWIMMING ADVICE

Children swimming, ALWAYS supervise your children, don't leave it to chance.

Beach and lakes, beware of riptides and currents, Follow safety advice and warnings, warning signs are there for a reason.

We would also like to remind you, never to leave your child alone in a car, cars can heat up to 65.5 degrees in just 10 minutes.

The No.1 Specialists in Italian Wine Grape

It is advisable to book by the **1st September** for the early grape: Sangiovese, Shiraz, Merlot & Cabernet Sauvignon, in order to avoid disappointment.

The Montepulciano & the Nero Di Troia should be booked by the **15th September** as these are later grapes.

The white grape, Trebbiano & Moscato are available throughout the season on request.

IMPORTANT REGULATIONS – Read carefully and obey! These rules are strictly enforced by G.L.L so be sure to check that your children comply as it is extremely upsetting for them to be sent away. If you tell a friend about the swimming, please make sure to tell them the rules as well.

Children under 8 yrs and non – swimmers of any age must be accompanied by an adult (16+ competent swimmer) in the water at all times Maximum 2 children / non - swimmers per adult.

Non-swimmers must wear armbands, rubber rings alone are not sufficient. **Children over 8 who can swim two widths with a confident stroke, (no armbands etc.) will be allowed to swim in the shallow end unaccompanied, however only those children who can swim a full 25 meter length will be allowed to go in the deep end.** The lifeguards have a right to test any unaccompanied child, if they suspect he / she is not a confident swimmer, and if necessary send them out (it's the lifeguards decision whether the child meets the criteria of a swimmer or not). We trust you understand that these rules are in the interest of your child's safety.

Entrance is on a first come first served basis. If you are told it is full, please understand and respect that this is a safety regulation from the pool management and NOT something personal between the organiser and yourselves. We will endeavour to try and get as many swimmers in, and fully appreciate the disappointment caused if turned away. In the event of this happening please accept our apologies in advance.

When there is a double session, anyone arriving to the first session once we have exceeded the limit (100), will have the option of waiting first on line for the second session. Please note the pool must be vacated in between sessions so anyone wanting to swim again must go out, queue up and pay again.

Some sessions are held in Hackney Baths and some in Clissold Baths as stated clearly on the time-table please use the back entrance at Clissold which brings us directly into the area of the building specifically hired for our use.

Price £6 per swimmer

ONLY the Aqua-action sessions at Fairlop Waters on Monday 26th August / Tuesday 3rd Sept **must** be pre-booked. Please see separate adv Tickets for these sessions will be sold on Friday 16th and Sunday 18th August between 11am-1pm. Call or text for more details.

PUBLIC AWARENESS!

We would like to make the public
aware of the importance of purchasing

Travel Insurance

when travelling abroad
(including Europe) for summer holidays.

Over the past few years we have
been involved with a number of
patients requiring medical assistance
during their holiday abroad and it
proved a lot more difficult and
very costly if not insured.

It is important to have travel
insurance in addition to UK GHIC
or UK EHIC, as GHIC/ EHIC will
not cover all expenses.

If you need support with
purchasing insurance,
contact your travel agent
or HBC.

Please be aware
During the
summer holidays
we will be
operating with
limited staff,
shorter hours, and
urgent cases only.

To The Reader Last Week Asking For Better Chassunah Plans/Investments

The best option for highest growth and safe investment would be investing the 500 largest USA companies.

If you had invested that £50 PCM the last 18 years you would have taken out now £31k instead of the £13k you said you did.

That's basically tripling the money you have invested.

This has proven to be the case in the last 70 years to have similar gains over a period of 20 years of investing.

It is definitely the best way to put away money for making chassunah and also a very safe way.

We do provide the service of setting up such a chassunah policy for a minimal fee of just £150 per application.

For more information please contact 07427 435 850.

Dear Readers

During this sad time for all Klal Yisroel we all need to think about ahavas chinom to hasten the geula. What easier and remarkable improvement it will be when Hashem sees people greeting each other. People you do or don't know it makes no difference really. When you greet someone you don't know it is ahavas chinom, exactly the ingredient needed to rebuild the Beis Hamikdash. It says in Gemoro if someone does not return a greeting it is stealing from him as that greeting really is for him.

Let us please work on this, yes it is quicker and easier to ignore people but what does it make them feel like? Terrible and worthless.

Take the extra 2 seconds and greet and if you can with a smile and you have earned great merits so fast

and your shopping trip becomes a pathway strewn with zechusim worth billions.

We all feel the need and the lack of the geula even though we don't know exactly what is missing. We are desperate for it. Hashem does not ask the impossible from us, He wants to see improvement in this area. We should all be thinking seriously how to increase our Ahavas Chinom.

May we be zoiche to greet Moshiach very soon.

C.S.

Dear Readers

I would like to make you aware the importance of taking out travel insurance before travelling abroad, even to Europe. EHIC covers you only for urgent medical care, and not for any rehab or transfer back to UK.

Medical care abroad can amount to exorbitant costs whereas an annual travel insurance can be purchased for approx £100 a year for a family. However one should check reviews on the underwriting company to ensure they are a reliable company/bank.

Some bank accounts do offer travel cover for an additional monthly fee.

In my personal experience, whilst in New York for yom tov, my child was taken into hospital with appendicitis which required urgent surgery, due to complications he required an extended hospital stay, which had we not been covered by travel insurance it would have amounted to \$120,000!! all we had paid that year was £65 for family travel insurance cover!

Have a safe trip.

Mrs P.

Dear Readers & Swiss Holiday Goers

As a lot of you enjoy going on

holiday to the Swiss mountains I would just like to point out how important it is to check the kosher list every year. The kosher list in Switzerland can change quite a bit from year to year.

As an example I have noticed and it pains me that a lot of people are still buying the Zweifel salt and vinegar crisps and they have been off the list for several years.

As someone living in Switzerland I urge you all to check the list every year.

I wish you all a great holiday.

M Bollag

Dear Readers

Holiday Warning:

As a pained mother of a child suffering from Lyme disease, I would like to make the community aware that tick bites can occur in the UK too, not only in the USA. Tick bites can cause Lyme disease, a slow devastating illness that wreaks havoc on the body.

To prevent Lyme disease:

- When in tall grass, cover up eg. tuck trousers into socks
- After walking in tall grass, check entire body (including head) for any little black dots - a tick
- If found, remove fully
- After tick is found, take antibiotics for a minimum of 30 days. For under 8's, take Amoxicillin. For over 8's, take Doxycycline.

Important info: doctors in the UK are not very knowledgeable about Lyme and might not recommend to take antibiotics. Take it anyway as this prevents the potential Lyme from becoming chronic.

Wishing you all a happy, healthy holiday.

P.S. for more info, I can be contacted through the News Update office.
